

Dear all,

Welcome to the **UBC Badminton Club X ClearOne POCO** Badminton Tournament!

Open Mens Singles:

We would like to inform players in Open Mens Singles of possible late night games on Friday Night (February 10th, 2012). This is due to the overwhelming response we received in the event. Unfortunately, we have games scheduled until 12:30 AM. **As Tournament Organizers, we are open to the idea of rescheduling some of the later games; however, this can only happen if and only if all parties agree to the rescheduling.**

We would also like to inform all players that a 10-minutes default rule and the 3-minutes warm-up rule WILL apply. Due to the great response we've received, we'll have to apply these rules to ensure that the tournament runs as smoothly as possible.

Lastly, and we cannot stress this enough, please be on time.

Please find the following list for the start times for all events:
